On August 13, 2013, FRA published a 60-day notice in the **Federal Register** soliciting comment on this ICR that the agency was seeking OMB approval. 78 FR 49321. Before OMB decides whether to approve these proposed collections of information, it must provide 30 days for public comment. 44 U.S.C. 3507(b); 5 CFR 1320.12(d). Federal law requires OMB to approve or disapprove paperwork packages between 30 and 60 days after the 30 day notice is published. 44 U.S.C. 3507 (b)-(c); 5 CFR 1320.12(d); *see also* 60 FR 44978, 44983, Aug. 29, 1995. Therefore, respondents should submit their respective comments to OMB within 30 days of publication to best ensure having their full effect. 5 CFR 1320.12(c); *see also* 60 FR 44983, Aug. 29, 1995.

The summary below describes the nature of the information collection request (ICR) and the expected burden for the ICR that will be submitted for clearance by OMB as required by the PRA.

Title: Alleged Violation Reporting Form

OMB Control Number: 2130-0590

Type of Request: Regular Approval of a Currently Approved Information Collection

Affected Public: U.S. Residents

Abstract: The Alleged Violation Reporting Form is a response to Section 307(b) of the Rail Safety Improvement Act of 2008, signed into law by President George W. Bush on October 16, 2008, which requires Federal Railroad Administration (FRA) to “provide a mechanism for the public to submit written reports of potential violations of Federal railroad safety and hazardous materials transportation laws, regulations, and orders to the Federal Railroad Administration.” The Alleged Violation Reporting Form allows the general public to submit alleged violations directly to FRA. The form’s goal is to allow FRA to collect information necessary to investigate the alleged violation and to provide follow up correspondence with the submitting party.

The Alleged Violation Reporting Form collects the name, phone number and e-mail of the person submitting the alleged violations; the preferred method by which to contact the person; the railroad or company name that committed the alleged violation, the date and time the alleged violation occurred; the location the alleged violation occurred; and details about the violation. All information is voluntary. FRA will collect the information via a form on the FRA public web site. FRA may share the information collected with FRA employees, State DOT partners, and law enforcement agencies.
